PROXY STATEMENT FOR
2002 ANNUAL STOCKHOLDERS' MEETING

VOTING INFORMATION

General

This Proxy Statement and WHITE proxy card are being furnished to you in connection with the solicitation by and on behalf of our Board of Directors of proxies for use at our 2002 Annual Stockholders' Meeting, at which you will be asked to vote upon proposals to:

- . elect three Directors to serve as Class I Directors until our 2005 Annual Stockholders' Meeting (see Proposal 1); and
- . ratify the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2002 (see Proposal 2).

The meeting will be held at 9:00 a.m., local time, on , 2002, at Hilton Gardens Inn, 4025 Windward Plaza, Alpharetta, Georgia 30005. This Proxy Statement and the enclosed WHITE proxy card are first being mailed to stockholders on or about , 2002.

Our Board of Directors has established the close of business on April 19, 2002, as the record date for determining our stockholders entitled to notice of and to vote at the meeting. Only our stockholders of record as of the record date will be entitled to notice of and to vote at the meeting. Most of our stockholders hold their shares through a stockbroker, bank or other

nominee rather than directly in their own name. There are some distinctions between shares held of record and those owned beneficially. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed a WHITE proxy card for you to use. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of such shares, and these proxy materials are being forwarded to you by your broker or nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares. Only shares held directly in your name as the stockholder of record may be voted in person at the meeting. If you choose to do so, please bring the enclosed WHITE proxy card and proof of identification.

How You Can Vote

YOUR VOTE IS IMPORTANT, NO MATTER HOW MANY OR HOW FEW SHARES YOU OWN.

1. If you are the stockholder of record, please sign, date and mail the enclosed WHITE proxy card to Georgeson Shareholder Communications, Inc. in the postage paid envelope provided.
2. If your shares are held in the name of a brokerage firm, bank nominee or other institution, only it can sign a WHITE proxy card with respect to your shares and only after receiving your specific instructions. To ensure that your shares are voted, you should contact the person responsible for your account and give instructions for a WHITE proxy card to be voted representing your shares.

How to Revoke Your Proxy

Any stockholder who has delivered a proxy may revoke it at any time before it is voted by giving notice of revocation in writing or submitting to us a signed proxy bearing a later date, provided that we actually receive such notice or proxy prior to the taking of the stockholder vote. Any notice of revocation should be sent to: Clarus Corporation, 3970 Johns Creek Court, Suwanee, Georgia 30024, Attention: James J. McDevitt, Corporate Secretary. If you are a stockholder of record, you may also revoke your proxy by attending the annual meeting and voting in person in accordance with the rules for voting at the annual meeting. However, if you instructed a broker to vote your shares, you must follow your broker's directions for changing your instructions. The shares of our common stock represented by properly executed proxies received at or prior to the meeting and not subsequently revoked will be voted as directed in such proxies. If instructions are not given, shares represented by proxies received will be voted "FOR" election of the nominees for Class I Director and "FOR" ratification of KPMG LLP as our independent auditor. As of the date of this Proxy Statement, we are unaware of any other matter to be presented at the meeting.

How Votes Are Counted

The affirmative vote of a plurality of our outstanding common stock present in person or represented by proxy and entitled to vote at the meeting will be required to elect three Directors to serve as Class I Directors until the 2005 Annual Stockholders' Meeting. A plurality means that more votes must be cast

in favor of the election of a Director than those cast against the election of such Director. Accordingly, the withholding of authority by a stockholder (including broker non-votes) will not be counted in computing a plurality and thus will have no effect on the results of the election of such nominees. In the election of Directors, you may vote "FOR" all of the nominees or your vote may be withheld with respect to one or more of the nominees. For the other proposal, you may vote "FOR," "AGAINST," or "ABSTAIN." If you "ABSTAIN," it has the same effect as a vote against the proposal.

The affirmative vote of a majority of our outstanding common stock present in person or represented by proxy and entitled to vote at the meeting will be required to ratify the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2002 and to approve any other proposals considered at the meeting. Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (so-called "broker non-votes"). In such cases, those shares will be counted for the purpose of determining if a quorum is present but will not be included in the vote totals with respect to those matters for which the broker cannot vote. If a stockholder abstains from voting on a matter, those shares will be counted for the purpose of determining if a quorum is present and will be counted as a vote against such proposal.

As of the record date, there were shares of our common stock outstanding and holders of record of shares of our common stock entitled to vote at the meeting, with each share entitled to one vote.

2

The presence, in person or by proxy, of a majority of the outstanding shares of our common stock entitled to vote at the meeting is necessary to constitute a quorum of the stockholders in order to take action at the meeting. Shares that are voted "FOR," "AGAINST," "WITHHELD" or "ABSTAIN " are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the annual meeting with respect to such matter. The inspector of election will also treat broker non-votes as shares that are present and entitled to vote for purposes of determining a quorum. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted upon at the meeting.

Voting Results

We plan to announce preliminary voting results at the annual meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2002.

PROPOSAL 1 -- ELECTION OF DIRECTORS

Number and Classification

Our Board of Directors currently consists of seven Directors. Our bylaws provide that our Board of Directors will consist of not less than two, nor more than seven members, the precise number to be determined from time to time by the Board of Directors. Our Board of Directors has set the number of Directors at seven. The seven members who comprise our Board of Directors are divided into three classes: Class I Directors, Class II Directors and Class III Directors, with each such class of Directors serving staggered three-year terms.

Messrs. Mark A. Johnson, Brady L. Rackley, III and Todd Hewlin serve in the class having a term that expires in 2002; Messrs. Tench Coxe and Donald L. House serve in the class having a term that expires in 2003; and Messrs. Stephen P. Jeffery and Said Mohammadioun serve in the class having a term that expires in 2004. Upon the expiration of the term of each class of Directors, Directors comprising such class of Directors, if nominated, will be eligible to be elected for a three-year term at the next succeeding annual meeting of stockholders. In June 2000, Mr. William S. Kaiser resigned from the Board of Directors and in September 2000, Mr. Norman N. Behar resigned from the Board of Directors. Mr. Rackley was appointed to the Board of Directors in August 2000 to fill the vacancy in Class I created by Mr. Kaiser's resignation. Mr. Hewlin was appointed to the Board of Directors in January 2002 to fill the

vacancy in Class I created by Mr. Behar's resignation.

Nominees

We have selected three nominees for election to our Board of Directors as Class I Directors. Class I Directors will serve a three-year term that will expire at our 2005 Annual Stockholders' Meeting. The three nominees are: Mark A. Johnson, Brady L. Rackley, III, and Todd Hewlin, all of whom currently serve as Class I Directors. Proxies cannot be voted at the meeting for a greater number of persons than the number of nominees named.

Each of the nominees has consented to being named in this Proxy Statement and to serve as a Director if elected. In the event that any nominee withdraws or for any reason is not able to serve as a Director, the proxy will be voted for such other person as may be designated by the Board of Directors (or to reduce the number of persons to be elected by the number of persons unable to serve), but in no event will the proxy be voted for more than three nominees.

The Board of Directors unanimously recommends that you vote "FOR" the Board's nominees for Class I Director as presented on the enclosed WHITE proxy card.

The following table sets forth the name and age of each of the three nominees for election as Class I Directors and the remaining Directors who will continue to serve on our Board of Directors, as well as his Director classification and length of service on our Board.

The options granted to our Named Executive Officers expire seven years after the date of grant.

Compensation Committee Interlocks and Insider Participation

Messrs. Rackley and Mohammadioun serve on our Compensation Committee. Neither member of the Compensation Committee serves as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive Officers serving as a member of our Board of Directors or Compensation Committee.

Employment Agreements and Change in Control Arrangements and Separation Agreements

Effective January 1, 2000, we entered into a one-year employment, non-disclosure, non-solicitation and non-competition agreement with Stephen P. Jeffery, our President, Chief Executive Officer and Chairman of the Board. The agreement automatically renews for successive additional one year terms. Under his employment agreement, Mr. Jeffery receives an annual base salary of \$250,000 and an incentive bonus if certain revenue and earnings targets are met. If we terminate Mr. Jeffery's employment agreement without cause, then Mr. Jeffery will be entitled to receive severance pay in the form of continuation of his annualized base salary for one year from the date of termination and a pro rata portion of his incentive bonus, if any, for the quarter in which his employment terminated. Mr. Jeffery may terminate his employment agreement at any time three months after a change in control has occurred and we are required to pay to Mr. Jeffery his base salary as of the date of the change in control for a period of 12 months from the date of termination and the pro rata portion of his incentive bonus for the quarter in which his employment terminated.

Effective April 1, 2001, we entered into a one-year employment, non-disclosure, non-solicitation and non-competition agreement with Steven M. Hornyak, our Executive Vice President, Americas and Chief Strategy Officer. The agreement with Mr. Hornyak automatically renews for an additional one-year term unless either party notifies the other of its intention not to renew the Agreement at least 30 days prior to the end of the term. Under his employment agreement, Mr. Hornyak receives an annual base salary of \$200,000 and incentive bonuses if certain revenue, expense and profitability targets are met. We amended Mr. Hornyak's agreement in February 2002 to provide that if we terminate Mr. Hornyak's employment prior to March 7, 2003, then Mr. Hornyak will be entitled to receive severance pay in the form of continuation of his annualized base salary until July 7, 2002 and thereafter until the earlier of March 7, 2003 or the date on which he commences new employment. Mr. Hornyak ceased serving as an executive Officer in February 2002, but he remains an employee of the Company.

Effective August 15, 2001, we entered into a one-year employment, non-disclosure, non-solicitation and non-competition agreement with Sean E. Feeney, our Chief Operating Officer. The agreement with Mr. Feeney automatically renews for an additional one-year term unless either party notifies the other of its intention not to renew the Agreement at least 30 days prior to the end of the term. Under his employment agreement, Mr. Feeney receives an annual base salary of \$200,000. Mr. Feeney is also eligible to receive additional annualized compensation of up to \$100,000 per year if we meet certain revenue, expense and profitability targets and Mr. Feeney attains specified management business objectives as determined by the Company's Chief

Executive Officer. If we terminate Mr. Feeney's employment without cause, then Mr. Feeney will be entitled to receive severance pay in the form of continuation of his annualized base salary until the earlier of six months from the date of termination, the expiration of the remainder of the one year term in effect, or Mr. Feeney's commencement of employment with any other entity. Mr. Feeney will also receive a pro rata portion of his incentive bonus, if any, for the quarter in which his employment terminated. Mr. Feeney may terminate his employment agreement at any time three months after a change in control has occurred and we are required to pay to Mr. Feeney his base salary as of the date of the change in control for a period of six months from the date of termination or such earlier date on which Feeney commences new employment and the pro rata portion of his incentive bonus for the quarter in which his employment terminated.

Certain Relationships and Related Transactions

On February 7, 2002, Todd Hewlin joined our Board of Directors. Mr. Hewlin is a managing director of The Chasm Group, LLC, a technology-oriented consulting firm. During 2001, we engaged The Chasm Group to assist us with various strategic issues. The period of the engagement was November 15, 2001, through February 15, 2002, for a total fee of \$225,000 plus out-of-pocket expenses. We expensed a total of \$131,000 during 2001 as shown in our general and administrative expenses in the accompanying consolidated statement of operations and had a balance due to The Chasm Group of \$94,000 at December 31, 2001, as shown in our accounts payable and accrued liabilities in the accompanying consolidated balance sheet. The balance of the agreement with The Chasm Group, LLC will be expensed and paid in 2002.

Limitation of Liability and Indemnification of Officers and Directors

Our Amended and Restated Certificate of Incorporation provides that the liability of our Directors for monetary damages shall be limited to the fullest extent permissible under Delaware law and that we may indemnify our Officers, employees and agents to the fullest extent permitted under Delaware law.

Our Bylaws provide that we must indemnify our Directors against all liabilities to the fullest extent permitted under Delaware law and that we must advance all reasonable expenses incurred in a proceeding where the Director was either a party or a witness because he or she was a director.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our Directors pursuant to the provisions of our charter documents, Delaware law or the agreements described above, we have been advised that in the opinion of the Securities and Exchange Commission, this indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

STOCK PERFORMANCE GRAPH

Set forth below is a line graph comparing the yearly percentage change in the cumulative total stockholder return on our common stock to the cumulative total return of the Russell 2000 Index and the JP Morgan H&Q Internet 100 for the period commencing on May 27, 1998, and ending December 31, 2001 (the "Measuring Period"). The graph assumes that the value of the investment in our common stock and each index was \$100 on May 27, 1998. The yearly change in cumulative total return is measured by dividing (1) the sum of (i) the cumulative amount of dividends for the Measuring Period, assuming dividend reinvestment, and (ii) the change in share price between the beginning and end of the Measuring Period, by (2) the share price at the beginning of the Measuring Period.

COMPENSATION COMMITTEE REPORT

During 2001, the Compensation Committee of the Board of Directors was comprised of two non-employee members of the Board, Messrs. Brady L. Rackley, III and Said Mohammadioun. The Compensation Committee is responsible for:

- . setting the Company's compensation philosophy and policies;
- . establishing the compensation of the Chief Executive Officer and approving the compensation of the other executive Officers; and
- . administering and awarding options and other awards under the Company's stock incentive plans.

The Company's compensation policies are designed to align the financial interests of the Company's management with those of its stockholders, and to take into account the operating environment and expectations for continued growth and enhanced profitability. Compensation for each of the executive Officers consists of a base salary, and the opportunity to receive stock options and a quarterly bonus. The Company does not currently provide executive Officers with other long-term incentive compensation.

The Compensation Committee's current philosophy is that the predominate portion of an executive's compensation should be based directly upon the value of incentive compensation in the form of cash bonuses and stock option awards. The Compensation Committee believes that providing executives with the opportunity to acquire interests in the Company through grants of stock options, while maintaining base salaries at competitive levels, will enable the Company to attract and retain executives with the outstanding management abilities and entrepreneurial spirit who are essential to the Company's success. Furthermore, the Compensation Committee believes that this approach to compensation, as well as the opportunity to receive cash bonuses based on performance, motivates executives to perform to their fullest potential.

Base Salary. At least annually, the Compensation Committee reviews salary recommendations for executives and then approves such recommendations, with any modifications it considers appropriate. The annual salary recommendations for such persons are made under the ultimate direction of the Chief Executive Officer, based on total compensation packages for comparable companies in the Company's industry, as well as evaluations of the individual executive's past and expected future performance. Similarly, the Compensation Committee fixes the base salary of the Chief Executive Officer based on its review of competitive compensation data from companies in the Company's industry, the Chief Executive Officer's overall compensation package, and the Compensation

Committee's assessment of his past performance and its expectation as to his future performance in leading the Company.

Annual Bonuses. The Compensation Committee determined the bonus in 2001 to be paid to the Chief Executive Officer based upon the Company's 2001 bonus plan which outlines certain revenue, profitability and other financial-related goals, as well as other criteria designed to assess his contribution to the Company's performance. Quarterly bonus recommendations for Named Executive Officers, other than the Chief Executive Officer, were made under the direction of the Chief Executive Officer and were reviewed and approved by the Compensation Committee.

Stock Awards. Stock options represent a substantial portion of compensation for the executive Officers, including the Chief Executive Officer. Stock options typically are granted at the fair market value on the date of grant, and will only have value if the Company's stock price increases. Stock option grants are generally structured to vest 25% on the first anniversary of employment and in 36 monthly installments thereafter. In special circumstances, however, the Compensation Committee has authority to accelerate vesting or modify other restrictions on exercise. Grants of stock options generally are based upon the level of the executive's position and an evaluation of the executive's past and expected future performance. The Compensation Committee believes that dependence on stock options for a significant portion of an executive's compensation more closely

12

aligns such executive's interests with those of the Company's stockholders, since the ultimate value of such compensation is linked directly to stock price.

Repricing Report. In April 2001, the Company offered its employees the opportunity to exchange certain stock options granted under the Company's stock incentive plans that were granted on or after November 1, 1999 for new options to be granted under the Company's stock incentive plan. The Company offered its employees a second opportunity to exchange outstanding stock options granted under the stock incentive plans that were granted on or after November 1, 1999. The first offering period began on April 9, 2001 and ended on May 7, 2001 and the second offering period began on July 9, 2001 and ended on August 6, 2001. The term of both offerings was generally the same. In connection with the first offer, new options were granted on November 9, 2001 to purchase 366,174 shares with an exercise price equal to the fair market value on that date or \$3.49 per share. On February 11, 2002, in connection with the second offer, new options to purchase 198,052 shares were granted with an exercise price equal to the fair market value on that date or \$4.10 per share. The new options granted in connection with both exchange offers were granted six months and one day following the date the Company cancelled the options accepted for exchange. All new options granted vest in 36 equal monthly installments until fully vested. In connection with the first exchange offer one Named Executive Officer, Alan MacLamroc, exchanged 105,000 options for 105,000 new options with an exercise price of \$3.49 per share. No other Named Executive Officer was eligible to participate in either exchange offer.

Compensation of Chief Executive Officer. The base salary paid to Mr. Jeffery is reviewed annually by the Compensation Committee and may be adjusted based on competitive compensation information available to the Compensation Committee, his overall compensation package and the Compensation Committee's assessment of his past experience and its expectation as to his future contributions in leading the Company and its businesses. In June 2000 the Compensation Committee reviewed the compensation of our Chief Executive Officer and entered into an employment agreement with Mr. Jeffery effective January 1, 2000. The agreement provided for an annual base salary of \$250,000 and incentive bonus if certain revenue and earnings targets were met. Mr. Jeffery received a base salary of \$250,000 and bonuses in the aggregate amount of \$86,994 in 2001. On July 30, 2001, Mr. Jeffery was granted a stock option to purchase 150,000 shares of the Company's common stock at a price of \$7.00 per share.

The Compensation Committee evaluates the Company's compensation policies and procedures with respect to executives on an ongoing basis. Although the Compensation Committee believes that current compensation policies have been successful in aligning the financial interests of executive Officers with

those of the Company's stockholders and with the Company's performance, we continue to examine what modifications, if any, should be implemented to further link executive compensation with both individual and Company performance.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits amounts that can be deducted for compensation paid to certain executives to \$1,000,000 unless certain requirements are met. No executive Officer receives compensation in excess of \$1,000,000 and therefore there are no compensation amounts that are nondeductible at present. The Compensation Committee will continue to monitor the applicability of Section 162(m) to the Company's compensation program.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing and financial reporting practices. The Audit Committee recommends to the Board of Directors, subject to stockholder approval, the selection of our independent accountants.

Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent." The Audit Committee has general oversight responsibility with respect to our financial reporting, and reviews the results and scope of the audit and other services provided by our independent auditors.

In this context, the Audit Committee has met and held discussions with management and our independent auditors. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and our independent auditors. The Audit Committee discussed with our independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Our independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors their independence.

Based upon the Audit Committee's discussion with management and our independent auditors and the Audit Committee's review of the representations of management and the report of our independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include our audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the foregoing Compensation Committee Report on Executive Compensation, the Audit Committee Report and the Stockholder Return Performance Graph shall not be incorporated by reference into any such filings.

PROPOSAL 2 -- RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has appointed KPMG LLP, independent auditors, to audit our financial statements for the fiscal year ending December 31, 2002 and seeks ratification of such appointment. In the event of a negative vote on such ratification, the Board will reconsider its appointment. KPMG LLP has served as our independent auditor since June 2000.

We expect that one or more representatives of KPMG LLP will be present at the annual meeting and will have the opportunity to make a statement if they so desire to do so and will be available to respond to appropriate questions.

Fees Billed by Independent Public Accountant

The following table sets forth the amount of audit fees, financial information systems design and implementation fees, and all other fees billed or expected to be billed for services rendered by KPMG LLP, our principal accountant, for the fiscal year ended December 31, 2001:

<TABLE>
<CAPTION>

Other non-audit services(4).....	124,000	
Total all other fees.....	141,000

</TABLE>

- (1) Audit fees, excluding audit related fees, includes annual financial statement audit and limited quarterly review services.
(2) KPMG LLP provided no such services during the most recent fiscal year.
(3) Audit related fees consist of services for the review of registration statements and issuance of consents.
(4) Other non-audit services consist of tax compliance and other tax services other than those directly related to the audit.

Our Audit Committee of the Board of Directors has considered whether the provision of other non-audit services is compatible with maintaining KPMG LLP's independence.

Arthur Andersen LLP was our independent auditor for the fiscal years prior to 2000. On June 6, 2000, we terminated Arthur Andersen LLP's appointment as our independent auditor and KPMG LLP was appointed as our independent auditor. The decision to change auditors was approved by the Audit Committee and our full Board of Directors.

During the fiscal year ended December 31, 1999, and the subsequent interim period from January 1, 2000 through June 6, 2000, there were no disagreements between us and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. None of the "reportable events" described under Item 304(a)(1)(v) of Regulation S-K occurred within 1999 and the subsequent interim period through June 6, 2000. The audit report of Arthur Andersen LLP on our financial statements as of and for the fiscal year ended December 31, 1999, did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. During our fiscal year ended December 31, 1999 and the subsequent interim period through June 6, 2000, we did not consult with KPMG LLP regarding any of the matters or events set forth in Item 304 (a)(2)(i) and (ii) of Regulation S-K.

The Board of Directors unanimously recommends that you vote "FOR" the ratification of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2002, on the enclosed WHITE proxy card. The affirmative vote of the holders of a majority of the votes cast is required to ratify the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2002.

SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table provides information concerning beneficial ownership of our common stock as of March 28, 2002, by:

- . each stockholder that we know owns more than 5% of our outstanding common stock;
- . each of our Named Executive Officers;
- . each of our Directors; and
- . all of our Directors and Named Executive Officers as a group.

The following table lists the applicable percentage of beneficial ownership based on 15,578,142 shares of common stock outstanding as of March 28, 2002. Except where noted, the persons or entities named have sole voting and investment power with respect to all shares shown as beneficially owned by them.

The second column shows separately shares that may be acquired by exercise of stock options or warrants within 60 days after March 28, 2002, by the Directors and our Named Executive Officers individually and as a group. Shares of common stock that may be acquired by exercise of stock options are deemed outstanding for purposes of computing the percentage beneficially owned by the persons holding these options but are not deemed outstanding for purposes of computing the percentage beneficially owned by any other person.
