### Item 7.01. Regulation FD Disclosure.

Clarus Corporation ("Clarus" or the "Company") will host an investor day event on Monday, March 11, 2024, from 12:00 pm to 2:00 pm EDT in New York City, NY. The event will include a presentation (the "Presentation") by Clarus' management, including Warren B. Kanders, Executive Chairman; Michael J. Yates, Chief Financial Officer; Neil Fiske, President, Black Diamond Equipment; and Mathew Hayward, Managing Director of Clarus' Adventure segment; followed by Q&A sessions. The investor day event will be broadcast live and available for replay on the Company's website at www.claruscorp.com. The Presentation and related information are furnished herewith as Exhibit 99.1 and are incorporated herein by reference.

The Presentation contains the non-GAAP measures: (i) adjusted gross margin and adjusted gross profit, (ii) adjusted (loss) income from continuing operations and related earnings (loss) per diluted share, (iii) earnings before interest, taxes, other income or expense, depreciation and amortization ("EBITDA"), EBITDA margin, adjusted EBITDA, and adjusted EBITDA margin, and (iv) free cash (defined as net cash provided by operating activities less capital expenditures). The Company believes the presentation of these non-GAAP measures provides useful information for the understanding of its ongoing operations and enables investors to focus on period-over-period operating performance, and thereby enhances the user's overall understanding of the Company's current financial performance relative to past performance and provides, along with the nearest GAAP measures, a baseline for modeling future earnings expectation. The non-GAAP measures are reconciled to comparable GAAP financial measures within the Presentation. The Company cautions that non-GAAP measures should be considered in addition to, but not as a substitute for, the Company's reported GAAP results. Additionally, the Company notes that there can be no assurance that the above referenced non-GAAP financial measures are comparable to similarly titled financial measures used by other publicly traded companies.

The information in this Form 8-K and the Presentation attached hereto as Exhibit 99.1 shall not be deemed "filed" for purposes of Section 18 of the Securities Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

#### Forward-Looking Statements

Forward-looking Statements
Please note that in this presentation we may use words such as "appears," "anticipates," "believes," "plans," "expects," "intends," "future," and similar expressions which constitute
forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are made based on our
expectations and beliefs concerning future events impacting the Company and therefore involve a number of risks and uncertainties. We caution that forward-looking statements are not
guarantees and that actual results could differ materially from those expressed or implied in the forward-looking statements. Potential risks and uncertainties that could cause the actual
results of operations or financial condition of the Company to differ materially from those expressed or implied by forward-looking statements in this presentation, include, but are not limited
to, those risks and uncertainties more fully described from time to time in the Company's public reports filed with the Securities and Exchange Commission, including under the section tilted
"Risk Factors" in the Company's Annual Report on Form I-0-K, and/or Quarterly Reports on Form I-0-Q, as well as in the Company as of the date hereof. We assume no obligation to update
any forward-looking statements to reflect events or circumstances after the date of this presentation and speak only as of the date hereof. We assume no obligation to update
any forward-looking statements to reflect events or circumstances after the date of this presentation.

#### Non-GAAP Financial Measures

Non-GAAP Financial Measures The Company reports its financial results in accordance with U.S. generally accepted accounting principles ("GAAP"). This presentation contains the non-GAAP measures: (i) adjusted gross margin and adjusted gross profit, (ii) adjusted (loss) income from continuing operations and related earnings (loss) per diluted share, (iii) earnings before interest, taxes, other income or expense, depreciation and amortization ("EBITDA"), EBITDA margin, adjusted EBITDA, and adjusted EBITDA margin, and (iv) free cash flow (defined as net cash provided by operating activities less capital expenditures). The Company believes that the presentation of certain on-GAAP measures, i.e. (i) adjusted gross regin and adjusted gross profit, (ii) adjusted (loss) income from continuing operations and related earnings (loss) per diluted share, (iii) EBITDA, EBITDA ABITDA, eBITDA and adjusted EBITDA and adjusted EBITDA margin, and (iv) free cash flow, provide useful information for the understanding of its ongoing operations and enables investors to focus on period over -period operating performance, and thereby enhances the user's overall understanding of the Company's current financial performance relative to past performance and provides, along with the nearest GAAP measures as baseline for modeling future earnings expectations. Non-GAAP measures are reconcided to comparable GAAP financial measures herein. The Company cautions that nor-GAAP measures abould be considered in addition to, but not as a substitute for, the Company's euried GAAP financial measures herein. The Company cautions that nor-GAAP measures should be considered in addition to, but not comparable to similarly titled financial measures used by other publicly traded companies.

#### Market and Industry Data

Market and industry Data The market and industry of general publications and forecasts. Industry publications, surveys and forecasts generally state that they have obtained information from sources believed to be reliable, but there can be no assurance as to the accuracy and completeness of such information. While the Company believes that each of these surveys, studies, publications and forecasts is reliable, it has not independently verified such data and the Company is not making any representation as to the accuracy of such information. Similarly, the Company believes that each of these surveys, studies publications and forecasts is reliable, it has not independently verified such data and the Company is not making any representation as to the accuracy of such information. Similarly, the Company believes its internal research and estimates are reliable but it has not been verified by any independent sources. In addition, while the Company believes that the industry and market information included herein is generally reliable, such information is indereding meresistent the company believes that the industry and market information included herein is generally reliable, such information is and presented herein, its estimates involve risks and uncertainties and are subject to change based on various factors, including those discussed under the heading "Forward-Looking Statements" above.

### WHY INVEST IN CLARUS

## CLARUS

#### SALE OF PRECISION SPORT / DISCONTINUED OPERATIONS

On December 29, 2023, the Company announced the sale of its Precision Sport segment for \$175 million. As the disposition was completed on February 29, 2024, we expect to recognize a gain on the disposition during the three months ending March 31, 2024. The activities of the Precision Sport segment have been segregated and reported as discontinued operations for all periods presented. Certain prior period financial information, related to discontinued operations, have been reclassified and separately presented in the consolidated financial statements and accompanying notes to conform to the current period presentation. The following unaudited financial information is based upon the historical consolidated financial statements of the Company and provides information for continuing operations for each quarter during 2023.

THE NEXT 4 SLIDES REFLECT THE RESTATEMENT OF THE 2023 QUARTERLY RESULTS.

(1) Potentially dilutive securities are excluded from the computation of diluted enzyming (oss) per share if their effect is anti-dilutive to the loss from continuing operations. Reported loss from continuing operations per share and adjusted loss from continuing operations per share are both calculated based on 37,192 basic and diluted weighted average shares of common stock.
