Item 15. Indemnification of Directors and Officers

Under Section 145 of the Delaware General Corporation Law, a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer employee or agent of another corporation or other enterprise, against expenses, costs or fees (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding (a) if such person acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interests of the corporation and (b) with respect to any criminal action or proceeding, if such person had no reasonable cause to believe such conduct was unlawful. If the person indemnified is not wholly successful in such action, suit or proceeding, but is successful, on the merits or otherwise, in one or more but less than all the claims, issues or matters in such proceeding, such person may be indemnified against expenses actually and reasonably incurred in connection with each successfully resolved claim, issue or matter. In the case of an action or suit by or in the right of the corporation, no indemnification may be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of the State of Delaware, or the court in which such action or suit was brought, shall determine that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Section 145 provides that, to the extent a director, officer, employee or agent of a corporation has been successful in the defense of any action, suit or proceeding referred to above or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith.

Section B of Article VII of the Registrant’s Amended and Restated Certificate of Incorporation, as amended, provides the following:

1. The Registrant shall indemnify each person who is or was a director, officer or employee of the Registrant, or of any other corporation, partnership, joint venture, trust or other enterprise which he is serving or served in any capacity at the request of the Registrant, against any and all liability and reasonable expense that may be incurred by such person in connection with or resulting from any claim, actions, suit or proceeding (whether actual or threatened, brought by or in the right of the Registrant or such other corporation, partnership, joint venture, trust or other enterprise, or otherwise, civil, criminal, administrative, investigative, or in connection with an appeal relating thereto), in which such person may become involved, as a party or otherwise, by reason of such person's being or having been a director, officer or employee of the Registrant or of such other corporation, partnership, joint venture, trust or other enterprise or by reason of any past or future action taken or not taken in such person's capacity as such director, officer or employee, whether or not such person continues to be such at the time such liability or expense is incurred, provided that a determination is made by the Registrant in accordance with Delaware law that such person acted in good faith and in a manner he reasonably believed to be in the best interests of the Registrant or at least not opposed to the best interests of such other corporation, partnership, joint venture, trust or other enterprise, as the case may be, and, in addition, in any criminal action or proceedings, had reasonable cause to believe such person's conduct was lawful or no reasonable cause to believe that such person's conduct was unlawful. The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent is not, of itself, determinative that the person did not meet the standard of conduct described in the previous sentence. Notwithstanding the foregoing, there shall be no indemnification (a) as to amounts paid or payable to the Registrant or such other corporation, partnership, joint venture, trust or other enterprise, as the case may be, for or based upon the director, officer or employee having gained in fact any personal profit or advantage to which such person was not legally entitled; (b) as to amounts paid or payable to the Registrant for an accounting of profits in fact made from the purchase or sale of securities of the Registrant within the meaning of Section 16(b) of the Exchange Act and amendments thereto or similar provisions of any state statutory law; or (c) with respect to matters as to which indemnification would be in contravention of the laws of the State of Delaware or of the United States of America whether as a matter of public policy or pursuant to statutory provisions.

2. Any such director, officer or employee who has been wholly successful, on the merits or otherwise, with respect to any claim, action, suit or proceeding of the character described herein shall be entitled to indemnification as of right, except to the extent such person has otherwise been indemnified. Except as provided in the preceding sentence, any indemnification hereunder shall be granted by the Registrant, but only if (a) the Board of Directors of the Registrant, acting by a quorum consisting of directors who are not partners to or who have been wholly successful with respect to such claim, action, suit or proceeding, shall find that the director, officer or employee has met the applicable standards of conduct set forth in paragraph 1 above; or (b) outside legal counsel engaged by the Registrant (who may be regular counsel of the Registrant) shall deliver to the Registrant its written opinion that such director, officer or employee has met such applicable standards of conduct; or (c) a court of competent jurisdiction has determined that such director, officer or employee has met such standards, in an action brought either by the Registrant, or by the director, officer or employee seeking indemnification, applying *de novo* such applicable standards of conduct. The termination of any claim, action, suit or proceeding, civil or criminal, by judgment, settlement (whether with or without court approval) or conviction or upon a plea of guilty or of *nolo contendere*, or its equivalent, shall not create a presumption that a director, officer or employee did not meet the applicable standards of conduct set forth in paragraph 1 above.

3. As used in Section B of Article VII, the term "liability" means amounts paid in settlement or in satisfaction of judgments of fines or penalties, and the term "expense" includes, but is not limited to, attorneys' fees and disbursements, incurred in connection with the claim, action, suit or proceeding. The Registrant may advance expenses to, or where appropriate may at its option and expense undertake the defense of, any such director, officer or employee upon receipt of an undertaking by or on behalf of such person to repay such expenses if it should ultimately be determined that the person is not entitled to indemnification under this Section B of Article VII.

4. The provisions of Section B of Article VII are applicable to claims, actions, suits or proceedings made or commenced after the adoption hereof, whether arising from acts or omissions to act occurring before or after the adoption thereof. If several claims, issues or matters of action are involved, any such director, officer or employee may be entitled to indemnification as to some matters even though he is not so entitled as to others. The rights of indemnification provided thereunder are in addition to any rights to which any director, officer or employee concerned may otherwise be entitled by contract or as a matter of law, and inure to the benefit of the heirs, executors and administrators of any such director, officer or employee. Any repeal or modification of the provisions of Section B of Article VII by the stockholders of the Registrant will not adversely affect any rights to indemnification and advancement of expenses existing pursuant to such Section with respect to any acts or omissions occurring prior to such repeal or modification.

The Registrant's directors and officers are insured (subject to certain exceptions and deductions) against liabilities which they may incur in their capacity as such including liabilities under the Securities Act, under liability insurance policies carried by the Registrant.

Item 17. Undertakings

1. The undersigned Registrant hereby undertakes:
 - (a) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(i), (a)(ii) and (a)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;
 - (b) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
 - (c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
2. That for purposes of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

3. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
 - (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
 - (iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
4. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
5. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the undersigned Registrant pursuant to the provisions described in Item 15 or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
